

Coldwell Banker Offers Support to Stay at Home in Wilton

The Wilton office of **Coldwell Banker Residential Brokerage** recently hosted a reception on June 21 for **Stay at Home in Wilton** and seniors in town. The Coldwell Banker agents are offering their support both through donations and time, assisting Stay at Home members in their homes or providing rides to local appointments.

Stay at Home in Wilton is a non-profit, volunteer-supported organization dedicated to helping seniors stay active, connected and together in Wilton. Coldwell Banker realtors say they are pleased to join this mission.
