To the Editor:

Stay at Home in Wilton has been helping Wilton seniors remain in their homes for over six years. One of the primary keys to providing the needed support is a cadre of volunteers who help the seniors with among many things, fix-ups in their houses, friendly visits, and rides for those not able to drive. We are always looking for additional volunteers since some of our volunteers move away. Specifically, in addition to those who give rides, we are now in need of volunteers to help coordinate the rides requested by members. If you would be interested in volunteering in any way to help our senior members, [please send an email](#) or call 203.423.3225. We will get right back to you, and thank you for helping Stay at Home in Wilton.

Phil Richards
Board Chairman
Stay at Home in Wilton, Inc.
