AHSOW MEMBERS NOT YET IN SOCIETY DATABASE

The following AHSOW members do not appear in the Alpha or Location sections because they are not yet added to the Society database system (Aptify). These are essentially all new AHSOW members since the cutover to Aptify in March 2007; the AHSOW Lifetime members; and some other omissions in their membership records. We apologize for them. Please direct your concerns to membership@barbershop.org or call them.
